## DISCIPLINES OF A GODLY FAMILY

*Disciplines of a Godly Family* presents a consistent, creative, and loving approach to rearing children. Written by parents/grandparents, the Hughes' have plenty of experience using simple, practical ways to raise a godly family and have fun in the process. They draw deeply from the Bible and their personal experience. Chapter topics include establishing a solid family heritage, promoting affection, encouraging godliness in children, using appropriate discipline, and helping children cultivate enriching lifelong habits.
