God at Work in San Diego: A Call to Action

Saturday, June 11, 2022, 8:00am - Noon

Learn and work alongside others as we partner with our local missions. Bring your children! And please, ask your friends and neighbors to join you! We will meet in the Assembly Room at 8:00am for a quick snack, a devotional from Ben Montoya, Director of Downtown Fellowship, and then we head off to one of the locations described below.

1. Partnering with the San Diego Downtown Fellowship of Churches and Ministries, our team will join a host of people from other churches and organizations for a Community Clean Up Day and Outreach on the streets of Downtown. You will receive basic guidance and be accompanied by experienced individuals who will assist you with interacting with people who live on the streets. This activity will help you to safely become acquainted with the plight of homelessness on our San Diego streets.
2. Our own FPCSD Ladle Fellowship passes out groceries to the elderly and other members of our local community on a Saturday morning each month. Our team will join other Ladle workers in the distribution of groceries to those in need, downstairs at the church.
3. New Day Urban Ministries restores lives by equipping those in need to move forward with hope by providing essential services to the homeless, urban poor, veterans and those recently released from prison, in a safe, home-like setting where people are treated with dignity, respect and compassion. Our team will experience a “day in the life of a client” activity, and then you can choose to help sort clothing, work in a food bag and snack bag “factory,” or if you can bring paint clothes, we could use painters to help with our project to paint the building inside and out.
4. At the San Diego Rescue Mission, a 12-month residential recovery and rehabilitation program for men, women, and children, our team will hear a short presentation on the work of the Mission, meet some of the staff (take optional tour), then work on one of the following tasks: sorting living quarters and clothing closets, assembling hygiene kits, and deep cleaning our Children’s Center Preschool and our Women and Children’s Emergency Shelter.
